### Seven Houses & Six Flats

This project documents every home Julião Sarmento has lived in his native country Portugal. Some of the architectural schematics are taken from the actual blueprints for the buildings and others are drawn from memory. Still others are renderings of the psychological impression the structure made on the artist. Published by Edition Jacob Samuel. 13 signed prints using photo etching, digital printing, etching and aquatint printed on Magnani Pescia.

The digital prints are printed on surface gampi and colle'd to the Pescia. Boxed portfolio.

Designed by Julião Sarmento and Jacob Samuel. Artist's photographs scanned and printed by Anthony Racco on Kozo-backed Gampi. Paper size is 15 x 13 inch. Etchings and Aquatints printed on Magnani Pescia by Jacob Samuel, assisted by Eric Ziemann.
